### Our mission

The Outer Banks Relief Foundation eases financial burdens when tragedy strikes. When a family experiences a tragedy, the Relief Foundation pays rent, mortgage, utilities and other necessary expenses. 221 families received assistance in 2025, and our impact will be even greater this year, thanks to everyone who supported Couture by the Shore.

### Amazing volunteers

Planning team. **Retailers**. Models. Ambassadors. Auction committee. Thank you to all of the volunteers who work so hard to make relief & hope possible.
